1° Day

WELCOME CERIMONY AND ICE-BREAKING ACTIVITES, CULTURAL FOLKLORE

Catalan Team welcomed delegations from Italy, Poland and Croatia by organizing a show and by teaching us traditional dances

We presented interpersonal relationship classes and visited the school to learn about the school vocational studies

In the afternoon we had a tour around Manresa and activity on orientation with mobile phones

2nd Day

We visited a Sen school called AMPANS and we helped students create games

It was really striking, the visit made us ponder about the issue on inclusion at school

3rd Day

Our Spanish hosts succeeded in letting us visit the most important sites of interest in Barcelona such as la Sagrada Familia and Camp Nou

4° Day

Students from partner countries reported on visits to workspaces: it was interesting to share our experience in real workplaces

We joined the workshop “Get to know yourself” and we identified ourselves with a puppet: in this way we succeeded in externalize our future job position

5th Day

We were introduced to Europass and Role played on job interviews simulating real job application

We recorded the last part of the movie: Dreams come true..

..and joined a fantastic farewell party organized by our Spanish teacher
