# HOW SCHOOL PREPARES US FOR THE FUTURE THANKS TO ERASMUS+ PROGRAMME

# The Institute and the Erasmus+ Program

The "G. Malafarina" Technical and Technological Institute takes full advantage of the opportunities offered by the Erasmus+ Program.

The staff, coordinated by Professor Savina Moniaci, has completed 30 projects and is accredited in both the SCHOOL and VET sectors for the 2021-2027 program cycle.

The institute is an eTwinning school and hosts the Epale and the eTwinning Erasmus Embassies. Moreover, a previous student has been appointed VET Euroapprenticeship Ambassador as well.

Here are some of the Erasmus+ projects that have implemented students entrepreneurial skills:

# Erasmus + Project

“Youngsters Nowadays. Where from, Where to?”

*Partners:* Romania- Italy- Turkiye- Greece- Portugal.

*Aims:* acquisition of skills and competences that promote social inclusion and favour the entry into the world of work through the adoption of a healthier lifestyle and the enhancement of aptitudes.

# Erasmus + Project

“The Future begins Today”

*Partners:* Polonia, Italia, Croazia, Spagna.

*Aims*=orientation of young people in the world of work in a European context, focusing attention on the theme of students' job expectations and their professional perspectives.

# Erasmus + Project

“European Civic Attitude Through Social Entrepreneurship”

*Partners:* Turkiye, Italy, Bulgaria.

*Aims:* Promoting civic values, equality, and inclusion through critical and intercultural thinking, while developing social entrepreneurship skills in laying out business plans, a lesson portfolio and virtual catalogs.

# Erasmus + Project

“Today’s young people, Tomorrow’s entrepreneurs”

Partners: Turkiye, Italy, Estonia. Croatia  
Aims: interviews with entrepreneurs, and development of business and virtual models, a portfolio of classes on entrepreneurship, layout of an Electronic Guide for Entrepreneurial Education.

# Erasmus+ Projects

“Accreditations”

ITT Malafarina has got both Erasmus School and Vet Accreditations and the development of entrepreneurial attitude is at the basis of the respective Erasmus plans. Yet the school Accreditation purpose is to endow students with a didactic competence which underlines the spirit of entrepreneurship while in Vet mobilities aims are more tied to the acquisition of professional and technical skills.
