# *1) Who am I?*

My name is Vincenzo and I'm 64 years old.  
I am an architect and I am a school teacher for students aged 14-16.  
I teach Technical Drawing on paper with set squares and pencil and I help students to use PC programs like "Autocad" to create projects.  
I have got two sons: Alessandra and Pietro. She is 26 and he is 19. They are my life!
